THE TWELFTH ANNUAL

OUTDOOR BULB SHOW

Mid-MARCH through Mid-APRIL, 1946
... in our Exhibition Gardens at NILES

WAR ACTIVITIES and rationed gasoline caused us to interrupt, during the war years, our well-established Annual Spring Bulb Shows. Now we are happy to welcome you again . . . to say: we hope you, your family and friends will enjoy the day in our gardens, once more alive with colorful Spring beauty. You are sure to find many ideas you can use at home as you wander through the rows of glorious daffodils, richly shaded tulips, stately Dutch Iris and other Spring flowers, arrayed against a back-drop of cheerful flowering trees. Relax and shed care in the peaceful atmosphere of venerable "Old Adobe" and its intimate garden, where we have re-created for you a delightful bit of early California.

HOW TO USE THIS BULB LIST TO ORDER YOUR FAVORITES

THE LIST inside makes ordering your entire bulb garden for 1947 easy and pleasant. Check the varieties you prefer as you leisurely walk through the beds of flowers, **note the desired quantity of each** in the space provided at the left of each listing. Attach your check (adding 2½% sales tax) and hand with this list to one of our salespeople. Be sure your name and correct address are shown.

Your order, placed now, will be given **preference for delivery next Fall, at the proper planting season.** If prices should increase, you will be protected at present rates; if they should decrease, we will credit you by sending additional bulbs, our selection.
